## Early Career Grants Programme

**Our Early Career Grants Programme provides grants to early career researchers or professionals based anywhere in the world to carry out clinical or scientific research or fieldwork on any aspect of tropical medicine or global health.**

**Apply now for a grant of up to £5,000 (GBP) to deliver a project over one year.**

**The Programme is now open to all early career researchers and professionals who have not had research funding of £5,000 or more in their own name before.**

**The projects can be on any topic related to tropical medicine and global health, from across the research spectrum of lab, translation, implementation and policy.**

**For more information please visit our website page [rstmh.org/grants](https://rstmh.org/grants) or email [info@rstmh.org](mailto:info@rstmh.org)**
